

UNITED STATES DISTRICT COURT
DISTRICT OF NEVADA

William Campbell,

Case No. 2:23-cv-01375-CDS-NJK

Plaintiff

Order Directing Defendant to Comply with Local Rule IC 6-1

V.

University Medical Center,

Defendant

9 Defendant University Medical Center (UMC) filed a notice indicating that it had
10 complied with my order directing it to file redacted versions of Exhibits C (ECF No. 25-3) and D
11 (ECF No. 25-4) because they contained personal-data identifiers. ECF No. 32. However, UMC's
12 exhibits still violate Local Rule IC 6-1. Although it redacted Campbell's date of birth, it did not
13 remove his home address. LR IC 6-1(a)(5) ("If a home address must be included, only the city
14 and state should be listed."). UMC is again ordered to file corrected images of the exhibits with
15 the personal data-identifiers redacted, as required by the local rules, by December 20, 2024.
